For categories G, L and N, you will be asked for a second pre-authorization of an amount of 2 500 €.

* The vehicle estimated rental price includes all options and extras you've requested, calculated at the start of the rental based on the intended length of the rental.

Only the payment cards described in the terms and conditions of rental are accepted. The card presented must be identical to the one used for the booking, and show the same surname/first name as the main driver.

THE RENTAL FEE

The base rate consists of a daily and/or mileage rate calculated at prevailing rates.

It includes:

- Third Party Liability Insurance.
- 24-hour vehicle support (assistance, towing and/or providing a replacement vehicle) free of charge in the event of immobilisation due to an issue covered by manufacturer's warranty. This assistance is not included in the case of immobilisation resulting from any other cause.

It does not include:

- Fuel costs, charged in accordance with the fuel leaflet present at Budget agencies.
- Participation in Registration Costs.
- Kilometres travelled beyond your agreed amount if applicable.
- 24-hour vehicle support (breakdown, towing and/or providing a replacement vehicle) in the event of any immobilisation not covered by manufacturer's warranty. In case of a repair on spot by the assistance company a fixed sum of 260,15 € is charged. In case a towing is needed a minimum sum of 393,25 € is charged.
- Additional insurance and optional additional coverage offered by Budget.
- The following extras and options, such as rail and airport extras.

Anything not expressly included in the rental rate is subject to separate invoicing, including:

- Costs related to damage caused to the Vehicle and additional equipment, as well as costs related to the interventions required for the Vehicle.
- Loss or theft of the Vehicle, Vehicle keys, Vehicle papers and/or additional equipment.

The rental rate is calculated in 24-hour increments. Budget will tolerate a delay of 29 minutes for return of the Vehicle. After this time, for each day started late, Budget will invoice you for an additional day of rental, late return charges and the charges for the chosen options, in addition to administrative processing fee, unless you are no longer in possession of the Vehicle for reasons beyond your control.
